

2-days Basic Refresh Training

In this two-day Basic Refresh Training the already learned skills, will be repeated developed and perfected. It does not matter whether the students have attended our basic training, everyone with a close protection background is welcome to participate.

- Discussing recent kidnappings, assassinations and how to prevent these.
- To repeat, discuss and perform formation drills.
- To repeat, discuss and implement entry and exit procedures.
- To put the lessons into practice.
