

27-Saturdays

Full Basic Close Protection Training

Full Basic Close Protection Training

Interested in a full basic close protection, protective driving and (advanced) firearm training? But 27 days consecutively is not possible, then this program just for you! Also in this course, participants spend a small portion of the course in the classroom and the majority outside. This training is suitable for newcomers to the close protection and only have the opportunity to train on Saturdays. The training lasts for 27 consecutive Saturdays.
